Not illustrated. 1836 Excerpt: .of adventurers and savages instigated by them, and the pertinacity with which the opinion is set up as to their right of possession, become the subjects of notes full of expressions of justice and moderation, until, with the aid of other incidents which are never wanting in the course of diplomatic relations, the desired end is attained of concluding an arrangement, onerous for one party as it is advantageous to the other. It has been said further, that when the United States of the North have succeeded in giving the predominance to the colonists introduced into the countries they had in view, they set up rights, and bring forward pretensions founded upon disputed historical facts, availing themselves generally, for the purpose, of some critical conjuncture to which they suppose that the attention of Government must be directed. This policy, which has produced good results to them, they have commenced carrying into effect with Texas. The public prints in those states, including those which are more immediately under the influence of their government, are engaged in discussing the right they imagine they have to the country as far as the Rio Bravo. Handbills are printed on the same subject, and thrown into general circulation, whose object is to persuade and convince the people of the utility and expediency of the meditated project. Some of them have said that Providence had marked out the Rio Bravo as the natural boundary of those states, which has induced an English...
