

Essays on the Intellectual History of Economics (Hardback)

By Jacob Viner

Princeton University Press, United States, 2016. Hardback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Ranking among the most distinguished economists and scholars of his generation, Jacob Viner is best remembered for his work in international economics and in the history of economic thought. Mark Blaug, in his *Great Economists Since Keynes* (Cambridge, 1985) remarked that Viner was quite simply the greatest historian of economic thought that ever lived. Never before, however, have Viner's important contributions to the intellectual history of economics been collected into one convenient volume. This book performs this valuable service to scholarship by reprinting Viner's classic essays on such topics as Adam Smith and laissez-faire, the intellectual history of laissez-faire, and power versus plenty as an objective of foreign policy in the seventeenth and eighteenth centuries. Also included are Viner's penetrating and previously unpublished Wabash College lectures. Jacob Viner was one of the truly great economists of this century as both teacher and scholar. This collection covers a wide range with special emphasis on the history of thought. Today's economists will find [the essays] just as thought-provoking and as illuminating as did his...
