Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Fairy Tales of Hans Christian Andersen Hans Christian Andersen, without knowing it, prescribed a healthy tonic for more than one writer in England and America. It would be a pity not to acknowledge this. He was not well known in either country when Mary Howitt published her translations of his stories in England. Perhaps her intimacy with Frederica Bremer, the Swedish novelist, opened the way to her acquaintance with the Danish story-teller. The children of England and America had the first benefit of this invasion of the Dane. For, by a rather provoking law, it will happen that the literature of childhood is sadly apt to fall into the ruts of sentimentalists or of mechanics. Anybody can write a child's book is the false theory of publishers in the decline which comes upon children's books once in a generation. As an experienced editor once said to me, ninety-nine hundredths of the articles sent to him about boys and girls are written by ladies who never had the charge of either boy or girl. Into the midst of books thus written down for children there comes, once in a generation, such a revelation as the publication of Grimm's Fairy Tales made early in this century, as the appearance in England of Andersen's children's stories, made. And again, such as children enjoyed when Stevenson's poems for them appeared. Probably Stevenson's poems would not have been written but for such prose poems as The Constant Tin Soldier. For certain soldiers lately dead Our reverent dirge shall here be said: Them, when their martial leader called, No dread preparative appalled, But leaden-hearted,...
