Before I answer that, consider the following. How many times have you heard family members, friends and acquaintances say that they feel unbalanced - or words to that effect? Does your life seem to be an overly complex experience? Do you feel as though living a balanced life is a near-impossible challenge? Does it seem that you have too much to do and not enough time and energy to do it? Do you have obligations - family commitments, social commitments, work commitments -that seem to tear at you and seem to drain you dry? If you can relate to those questions then that is the reason to buy this book because. Your Destiny in Motion is a program about balance.
