# DECENTRALISATION IN DEVELOPMENT

Mittal Publications, New Delhi, 1991. N.A. Book Condition: New. Viii+120pp Decentralization is an ideological principle associated with objectives of self-reliance, democratic decision making, popular participation in development and accountability of public officials to citizens. Thus decentralization is a political decision, and its implementation is a reflection of a country's political process. Development is the exploitation and management of the resource of nature in such a way that they are put under the control of man and are harnessed to serve...
