War heads for torpedoes have been loaded and shipped for 2 battle ships and 7 torpedo vessels. Complete testing outfits for smokeless powder have been prepared and issued to a large number of vessels in commission. Repairs and improvements have been made to the buildings, wharves, machinery, etc., as required, and they are all in a generally good condition. During the past year the chemist of this station visited the naval magazines at New York, Boston, and Portsmouth for the purpose of inspecting and testing the various powders stored at those points, and also inspected and tested the several indices of powder on 22 vessels in commission, some 538 samples being tested. The chemist from the naval proving ground made similar inspections and tests of powder stored at Philadelphia...
