Key Features - 101 exercises focused on figurative language and sayings - includes exercises covering idioms, common phrases, similes, metaphors, hyperbole, adages, and proverbs - 10 complete sets of exercises organized into easy, moderate, and advanced - vocabulary, reading level, and difficulty increase from a Grade 2 level right through to a Grade 5 level and higher - each set includes a variety of tasks that allow students to develop and then apply new skills - specifically designed to increase vocabulary and language skills to exceed grade level expectations - includes a complete answer key - includes charts listing the Common Core, TEKS, and SOL skills covered Aligns to the Common Core Standards The Common Core Standards are a set of standards adopted by most American states. Student learning is based on these standards throughout the year, and students in most states are tested based on these standards at the end of the school year. This workbook develops many skills listed in the Common Core Standards for English Language Arts, including skills in the reading, writing, and language strands. The major skills covered include interpreting figurative language such as similes and metaphors, and recognizing and explaining the meaning of idioms, adages, and proverbs. A complete list of the specific skills covered is included in the back of the book. Matches the Texas Standards The Texas standards, or TEKS, include key skills that are specifically covered by this book. These include identifying the meaning of common idioms, adages,...
