Brand New Book ***** Print on Demand *****.[Siren Classic: Erotic Contemporary Romance] Georgina Brazen is hiking along a trail that skirts the lake and finds a man staring out over the water. He s tall and ruggedly handsome, and she finds herself compelled to introduce herself. After all, she figures if you re wondering what a man looks like naked, you should know his name. He turns to face her. From his stance and the frown on his face, anybody would have thought he was angry, but Georgie focuses on the sadness in his eyes. Ending up in his arms was the last thing she expected to happen. Tyler Lucas likes being alone. It s safer that way. However, there are times when he wouldn t mind a little interaction. Like with this babe in the woods staring at him. He could get lost in her. He watches her look him over, waiting for her to turn and leave, but she just smiles and introduces herself. ** A Siren Erotic Romance.
