PILLARS OF LIFE (PAPERBACK)

Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Pillars of Life is inspired by the dynamism of my personal experiences of life and how every level of my engagement and interaction in my upbringing has been a building block for sustainable personal growth and development. It reflects an appreciation of the past and encourages the cultivation of wholesome relationships that lend support to your individual drives and aspirations. It outlines how every level of an individual's upbringing can be a positive factor and stepping-stones to future endeavors and accomplishment. It is a motivational literary work, backed by biblical truths and personal testimonies that identifies four life-involving areas that can be sources of strength and support as you make transitions through life; support you can depend on when the going gets tough, and the tough get going . The four areas of support as prescribed in this book are Family, Community, Friends and Faith. Each brings specific sets of values that an individual can rely on and use to their advantage. The goal of this book for you is to learn the dynamics of balancing your life as best as you can on the pillar or pillars that provide the most support system for you. For those who have elements of each working in your favor, you are blessed, and I suggest you harness those elements so that you continue to experience the benefits of their support. For those who will experience defects in any one or more pillars, I encourage you keep hope alive; do not give up, but look to the other pillars and identify the one that offers the most opportunity for your growth. It is often said, it is not...
