

Public Microeconomics: Efficiency and Equity in Public Policy (Hardback)

By Joaquim Silvestre

Edward Elgar Publishing Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 236 x 154 mm. Language: English . Brand New Book. This important book contains a concise, simple, yet precise discussion of externalities, public goods and insurance. Rooted in the first fundamental theorem of welfare economics and in noncooperative equilibrium, it employs elementary calculus. The book presents established theory in novel ways, and offers the tools for the application of the social welfare criteria of efficiency and equity to environmental economics, networks, bargaining, political economy, and the pricing of public goods and public utilities. This textbook presents an innovative, user-friendly manual, which will be of use over a broad range of disciplines. The applications found here include international global-warming issues (North vs. South model), and bargaining over externalities (Coase's theorem). This text also introduces the Wickseil-Lindahl model in its original form, which depicts the parliamentary negotiation between representative parties and provides an effective introduction to political economy. Later, these ideas are applied to the pricing of an excludable public good, revealing the theoretical connection between public utility pricing and the pricing of excludable public goods. The text integrates three forms of discourse: verbal, graphical, and formal. Elementary calculus is...
