Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Someone who would take care of me and keep me in the life to which I d grown accustomed, so I set my sights on Dodger Vanderbrook, the wealthiest and most gorgeous man I ve ever seen in my life. But there s something different about Dodger. Not only is he interested in more than just my body, but he makes me long for something more as well.
