With the new high school curriculum experiment steadily, various versions of the new curriculum materials, a variety of supplementary materials for teachers and students provide more extensive teaching resources, there is inevitably the phenomenon of cohabitation. In view of this, we organized the college entrance examination in the past six years to train for the Beijing champion, and a large number of top five students in High School Affiliated to Renmin University of China teachers teaching and research of various disciplines, based on the new curriculum reform RDFZ teaching practices and curriculum reform in Guangdong Province experiments and research, according to PEP Curriculum materials, preparation of the high school curriculum standard textbook synchronization counseling and training books. After dozens of Bentacongshu RDFZ grade teacher and the Guangdong Provincial Department of Education Department experts, strict control, and after two years of RDFZ trial proved that this is a more focused on teaching and learning good study case, it not only to help students master the content knowledge, attention to social, attention to life, to expand horizons and improve thinking ability, but also to help teachers from the various testing of student learning conditions. In the preparation process, Bentacongshu sought to highlight the characteristics of the following aspects: 1. Emphasis on basic knowledge and exercises in each lesson are to explain the basics as the main content, by reading and exercises for students to grasp the basic knowledge required to master the syllabus. Each class have an interactive learning research, champion notes, wrong title and other special plates from multiple perspectives to help students sort out the basics, reveals the intrinsic...
