Johnson is a Green Bay, Wisconsin, native who is currently living and working in Southern Wisconsin as a professional licensed massage therapist with her specialty focusing on injury and rehabilitation therapies. Years prior she worked in manufacturing for nearly 20 years on the production floor. Her interest in natural health brought her into the realms of chiropractic care, acupuncture, Chinese herbal healing, and massage almost simultaneously after she sustained two major back injuries while on the job. Her low back injury was severe enough that after her rehabilitation she decided to take her career in a different direction in order to focus on her healing while helping others do the same for themselves. She continues to work full time in her massage therapy practice and enjoys writing poetry, short stories, and essays on the minimalist movement and the law of attraction. She finds great inspiration in authors such as Elisabeth Kubler-Ross, Esther and Jerry Hicks, Doreen Virtue, Wallace D. Wattles, and Sogyal Rinpoche. Her great aspiration in life...
