Are you a dreamer or an achiever? Over 97 of people are only goal setters and that s where they stop. But only less than 3 of people manifest the goals they set for themselves- be it spiritual, (personal), health, business/career, corporate, financial, academic, relationship or social goals. Isn t it obvious? Just look round you and you would notice that only few people are successful in our society. These are the few who understand and apply the secrets of goal achievement in life. Success is simply the consistent realization of worthy dreams. In the report, you will learn: . What great goal achievers do differently that the rest majority don t know or do. The 3-step formula for achieving any goals (the S.T.P. of goal achievement). The stages involved in breaking negative habits and learning new ones; you must break the habit of not achieving your desires now and forever; The place of belief in goal achievement; you will learn the levels of belief and why you need cognitive resonance; The God-factor in dream manifestation; The mistakes that those who don t manifest their dreams make and how you can avoid them; This report is about how you can set and achieve any goals you desire in your life, no matter how big or impossible they may seem.
