The book Indo-Pacific: emerging powers, evolving regions and challenges to global Governance is an outcome of a collaborative project undertaken together by young and leading scholars on world affairs. Based on in-depth study and research the compendium brings to fore the implications of the shift in power to the Indo-Pacific region-the vast and single geo-strategic arc and geo-economic realm spanning the eastern Pacific Ocean to the western Indian Ocean along the eastern coast of Africa. As a new constellation of economic and political power, Indo-Pacific is influenced by the rise of China and India rapidly dwarfing all other regional constructs and centres of trade, investment, security, competition and cooperation across the world. The Indo-Pacific power narrative is not about China and India alone. The book devotes attention to the stakes of erstwhile super powers as well as...
