Multnomah Press. Paperback. Book Condition: new. BRAND NEW, Secure Daughters, Confident Sons: How Parents Guide Their Children into Authentic Masculinity and Femininity, Glenn T. Stanton, Raise secure, confident kids in a gender-confused world. In this eye-opening book, family researcher Glenn T. Stanton offers a clear vision for why gender matters in how we raise our children. His thought-provoking insights expose the problems with stifling stereotypes and damaging cultural assumptions, then highlight a practical pathway for guiding children into healthy manhood and womanhood. You'll discover.- what gender-appropriate behavior looks like at various ages - and why you shouldn't panic if your toddler boy plays with his sister's dolls. - how to help your daughter become secure in her sense of significance - whether she prefers chasing butterflies or shooting hoops. - how to inspire your son to compete and take healthy risks - in ways that fit his unique personality. - how mums and dads complement one another as they discipline differently, comfort differently, and influence differently. - what you can do on a daily basis to nurture your children's God-given design and help them resist the pressure to conform to arbitrary cultural rules. With practical tools, well-researched insights, and real-life scenarios, this book equips parents to launch daughters who are secure in the power of their femininity and sons who are confident in their strength to make a difference in the world.
