Penguin Books Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 110th Anniversary ed.. 140 x 104 mm. Language: English . Brand New Book. It s been 110 years since Frederick Warne published Beatrix Potter s very first book, The Tale of Peter Rabbit , and in celebration, we are delighted to be publishing special editions of her entire body of work. Unlike the traditional little white books, these editions have delightful colourful covers and specially designed endpapers. And to make them extra special, we have included a publisher s note to tell you all about the history of how each book came to be. The Tale of Mr. Jeremy Fisher endures as one of Beatrix Potter s most popular and well-loved tales. It tells of an optimistic and slightly accident-prone frog, who sets off on a fishing expedition across the pond, only to find himself bitten on the toe by a water-beetle, fighting with a stickleback, and eventually nearly eaten by a trout! The Tale of Jeremy Fisher is number seven in Beatrix Potter s series of 23 little books.
