Techniques of Drafting and Pattern Making: Garments for Kids and Adolescents

By Padmavati B.

Atlantic Publishers & Distributors (P) Ltd., 2009. Hardcover. Book Condition: New. Drafting and pattern making are the basic necessities for making fashion garments. To become a successful fashion designer one needs to have a great command of drafting and pattern making. Fashion designing has come a long way in style, pattern making techniques and manufacture of garments. The phenomenal development experienced in the world of fashion garments in recent years has brought various techniques of drafting and pattern making to the forefront. A large variety of men's and women's garments are being created with the help of these techniques. Broadly, there are three pattern making techniques. The flat pattern technique is fundamental for a jewel-neck bodice, fitted and slender skirt and the pattern is made according to the measurements. The technique starts with the formation of block which is generally made of light weight cardboard parchment paper. Once the figure of the block has been developed by making a chain of mock-up garments, the ultimate block can be used in order to make pattern for lots of styles of clothes with different collar, neckline, dart placements, sleeves, etc. The second technique is drafting technique which is widely used in women's...
