Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Moments in Life is about life which is sometimes hard, humorous, loving, difficult, and a wide range of other emotions. Life is about the connections we make with friends, family, and even furry critters. The poems in this volume address some of the things faced in life. These can be pretty, loving, funny or they can be gritty and hard, painful and difficult. Sometimes we have to scream at the injustices in the world and our life. Sometimes we have to embrace what is, accept where we are, and rejoice in the blessings we have in our lives. Poetry is personal and intimate. These poems are meant to capture moments in life. Life is messy and some of these poems are very messy. They express fear, grief, love, frustration, as well as a variety of other emotions. The third book of poems is all about life. Life shifts and changes. To stop changing is to stop living. This volume of poems uses a variety of techniques from abstract poems which are meant to express feelings through the sounds of the words rather than the meaning of the words to Acrostic poems which use the first letter of each line (and sometimes the last) to spell something to haiku and tanka to free form. The different methods are used randomly as the moment struck.
