That is Jenna Barrett's number one rule in her search for a husband. So why is she so attracted to the sexy advertising executive she's hired to design a new ad campaign for her lingerie store? Zachary West knows all the ploys women use to trap a man into marriage and he is not falling for any of them. Worse, Jenna Barrett has made no bones about the fact that she's on a full-fledge husband hunt - she's taking a class called How To Get Married Within a Year! Sure, he can't seem to stop fantasizing about the sexy redhead modeling the sheer teddies she sells. But when images of the beguiling woman in a wedding gown and a long white veil taunt him, he knows he's in big trouble! Will he be able to overcome his panic attacks at the mention of the M word, or will Jenna have to continue her husband hunt - without him.
