Picture one now, gliding motionless on the thermal winds, far above the gusts that whip the surface of the earth. His movement is most graceful when he yields to the flow of the currents and lets them carry him. That s the way it is with Christians, says Jamie Buckingham, when we relinquish our lives to the movement of God s Spirit. With biblical examples like Moses, Joshua, and David, and with graphic testimony of his own experiences, Jamie Buckingham shows the consequence of resisting God s presence in the innermost recesses of our lives . . . and the almost indescribable changes that come when we yield to Him. Here is a book that shows you how your life with Christ can move beyond just being a memory of a salvation experience. If you let Him, God can and will lift you from your present existence and start you on a venture Where Eagles Soar. Jamie Buckingham (1932-1992) was one of the most widely read Christian authors of his time. He served in various editorial capacities with Guideposts, Logos Journal, Charisma and Ministries Today magazines. He authored over 45 books included some for well-known public figures such as Kathryn Kuhlman, Corrie ten Boom, Pat Robertson, and others. Buckingham was a leading figure in the Charismatic Movement of the 70s and 80s. He was senior pastor of the interdenominational Tabernacle Church in Melbourne, FL.
