The USA TODAY bestselling master of her craft (RT Book Reviews), Rexanne Becnel delivers a special treat just in time for the holidays with this heartwarming story about a family learning the true meaning of Christmas. Having it all money, health, intelligence, the seemingly perfect family doesn't seem to be working for Charles Montgomery. His wife wants a divorce. His children are spoiled rotten. And he has grown blind to the things money can't buy. In an act of desperation he hopes will bring the family together again, he whisks them away to a mountain retreat for the holidays. But the vacation is a recipe for disaster especially when a blizzard leaves them stranded without heat or electricity until the Walker family shows up, seeking shelter. Togetherness has never been so uncomfortable or enlightening. The blizzard passes, and the Walkers leave but the Montgomerys' lives will never be the same.
